# Deliver Effective Project Management Support for the Transformation Project (Private)

Updated: Jun 5, 2026

| Status    | Due Date     |
|-----------|--------------|
| Completed | Dec 31, 2025 |

## Goal Description

I will contribute to the success of the transformation project by providing clear, reliable project management support. This includes maintaining updated project plans, tracking key milestones, and ensuring actions, owners, and deadlines are captured accurately. I will prepare concise status updates, flag risks or delays early, and help coordinate cross-team communication so the project stays on track. My aim is to improve project visibility, reduce bottlenecks, and support timely delivery of the project's key outcomes.

# Demonstrate Proactive Contribution to the account through the AI Community (Private)

Updated: Dec 10, 2025

| Overdue  | Status      | Due Date     |
|----------|-------------|--------------|
| 160 Days | In Progress | Dec 31, 2025 |

## Goal Description

I will show proactive behaviour within the account by taking ownership of meaningful work in the new AI community. This includes identifying opportunities where I can add value, such as supporting content creation, organising knowledge-sharing sessions, or helping shape the community's structure. I will take initiative without waiting for direction, keep momentum by completing agreed actions on time, and share updates with the group so progress is visible. My aim is to contribute in a way that strengthens the community and demonstrates my ability to step forward and drive value independently.

160 Days

In Progress

Dec 31, 2025

Goal Description

I will support smoother coordination across the PMBS community by keeping our shared documents, event plans, and programme trackers updated on a weekly basis. I will ensure key details such as timelines, responsibilities, and upcoming deadlines are clearly captured and accessible to the wider team. During our PMBS meetings, I will proactively flag any risks, gaps, or dependencies that could impact upcoming events or programmes. My aim is to keep the team aligned and enable more efficient planning, decision-making, and delivery for the PMBS community.

Grow My Client-Facing Communication Skills (Private)

Updated: Jun 5, 2026

|           |              |
|-----------|--------------|
| Status    | Due Date     |
| Completed | Dec 31, 2025 |

Goal Description

I will build confidence in client-facing situations by preparing and delivering at least two structured updates or presentations to the account team or relevant client-facing groups. For each session, I will create a clear agenda, concise messaging, and supporting visuals where needed. After each update, I will reflect on what went well and one area I can improve.

Strengthen Prioritisation and Organisation (Private)

Updated: Jun 5, 2026

|           |              |
|-----------|--------------|
| Status    | Due Date     |
| Completed | Dec 31, 2025 |

Goal Description

I will improve how I manage my workload by maintaining a clear and consistent prioritisation system using my Monday board. Each day, I will update my board with all new and ongoing tasks, categorise them by priority, and set realistic deadlines. I will also break down larger pieces of work into smaller steps so they're easier to track. At the end of each week, I will review my progress, close completed tasks, and roll over anything unfinished. My goal is to reduce the number of tasks that carry over week to week and build a more predictable workflow.
